Fresh off a packed 2015 summer library schedule, Evans Events' Stage Right Live is back with an all new show for 2016! In co-ordination with the national summer reading theme, On Your Mark, Get Set... Read, this year's program, Go For The Gold will keep the audience laughing and learning all the way through!

Join your hosts, Joey, Alexandra, and of course, Sydney, the live eclectic parrot as their journey starts on Mt. Olympus and takes the audience on an action packed thrill ride filled with award-winning magic, music, comedy, and hilarious audience participation. The show takes a look at everything from playground games to organized sports in a show all themed around fitness, health, and sports. As with every year, this show talks about books available in the library and encourages diving deeper into the shelves as these stories come to life on stage.

With performances everywhere from schools, to Corporations to Royal Caribbean's Allure of the Seas, this show is not only geared towards children, but is designed for the entire family to keep everyone from parents to grandparents, laughing and smiling all the way through.

"It's been almost two months since the show, and people are still commenting about how great it was."
- Pamela Moore - Collier County

Lynn Gonzales-Mount Dora library

"I can share with you something that a patron told me that will hopefully work as a quote for you. One of our regulars came by a week after the shows you did and told us that her daughter had such an amazing time that they went back for an encore performance at one of our other branch libraries. It was truly a magical show for everyone!"

Natalie Donoso-Lane - Ocala Library

We really enjoyed having you this summer. Stage Right Live was a highlight of our summer children's program. The combination of magic and comedy was perfectly pitched for our age group and kept the kids thoroughly entertained. We look forward to seeing you again next year!

Mark Giffen - Monroe County

The show was well constructed around the Collaborative Summer Library Program (CSLP) theme. It featured comedy, magic, animals and more! The children were delighted and amazed!

Jennifer Parker - Clay County

This was one of the most fascinating and interesting magic shows we have had. It held the interest of the very small, the teens and even the adults. We received great comments from our patrons!

Bringing "Go For The Gold" to your library

We would love to bring our brand new program to your library. With recent budget cuts around the state for libraries, with the help of librarians, we try to keep our program as affordable as possible. The program fee is \$295 complete with sound, backdrop, free magic effect, promotional artwork, and everything included. However, if you schedule two or more in the same day the fee drops to \$250. The programs don't have to be at the same location, simply coordinated with other libraries to be the same day to help save money.

If you know other librarians in your area or cooperative who may be interested in bringing either of these programs to their library on the same day, please contact them with this information. You can call them and point them to this flyer, our website, www.itsyourlibrary.com, or e-mail a link to this page.

Since we perform at over 100 libraries each year and have performances already on the schedule everywhere from Florida to Tennessee and Las Vegas, the summer program will fill up fast. Please email at booking@itsyourlibrary.com or call us at **239-878-7531** to reserve a date or get more information.
